

DEPARTMENT OF SOCIOLOGY

TEACHING ASSISTANT SUPPLEMENTAL EMPLOYMENT INFORMATION

This form is a supplement to the required Description of Duties form for TAs

Supervising Instructors are encouraged to meet with their Teaching Assistants at the beginning of the quarter to provide further specifications regarding expectations of time allocation in a course and the required duties as designated on the Description of Duties form. Within the first two weeks of the quarter, the Instructor of the course should complete and review the form with the Teaching Assistant. The completed and signed form is to be submitted to the Sociology Department Graduate Program Coordinator. The form will be retained in the student employment files by Sociology Department Graduate Coordinator.

Please note that a 50% time Teaching Assistant appointment consists of 220 working hours per quarter, which equates to 20 working hours per week. However, this is an estimate of the average working week; actual hours worked per week may vary, especially during peak times (i.e., examinations, field trips, etc.), but may not exceed 220 hours total for the quarter, or a workload over 40 hours in any one week. The number of hours worked in excess of 20 hours per week may not total more than 50 hours per quarter.

The Instructor and the Teaching Assistant are encouraged to discuss any difficulties with the allocation of duties as early as possible, and well in advance of the end of the term in order to best deliver the needs of the course, with due consideration to peak periods. The Instructor and Teaching Assistant are encouraged to meet mid-term to review the objectives and make appropriate revisions (if any) as necessary. If revisions are made after the original form is submitted, an updated copy of the form with the revisions annotated should be submitted to the Graduate Coordinator. Concerns regarding duties performed by the Teaching Assistant should be brought to the Graduate Director, as early as possible. This is the appropriate procedure for addressing and resolving issues. Any revision(s) must be submitted to the Graduate Coordinator and will be forwarded to the Social Sciences AHR office.
