

SOCY Field Statement & Qualifying Exam Committee Form

This form must be submitted at the beginning (Fall) of your 3rd year of study to the Graduate Coordinator. This form should indicate your proposed field statement readers and QE committee. As you proceed, your committee members may change. If this happens, you must re-submit this form on that occasion so that the department is made aware of the changes to your committee. If the department does not have this committee form on file for you, at the beginning of your third year, you may be placed on academic probation. The graduate division requires a similar [form](#) that lists your final committee members 30 days before your qualifying exam.

Part 2: QE Committee Chair and Members:

Committees are typically made up of three Sociology faculty members and one outside member. With the permission of the Graduate Director, it is possible to appoint non-Sociology faculty in place of the three Sociology faculty. The outside member must be either a tenured UCSC faculty member from a different department, or a Sociology tenured faculty member from a different university. Note that the [Graduate Division](#) requires that the QE chair be a tenured faculty member and your dissertation adviser cannot be chair of the QE committee.
